PS Form 2976, Block 8

USPS Customs Declaration Form with callouts for AES Exemption (8) and checkboxes for NOEEI § 30.37(a) and NOEEI § 30.37(h).

Priority Mail Express International Shipping Label and Customs Form with a callout for "3. AES/ITN/Exemption".

USPS Customs Declaration Form with callouts for categories: Documents, Commercial sample, Merchandise, Dangerous Goods, Gift, Humanitarian Donation, and Other.

**Instructions** Before completing this form, please read the following instructions carefully. **NOTE:** Your goods may be subject to restrictions.

Complete this form in English. You may add a translation of the contents in a language accepted in the destination country.

Complete in ink and press firmly so all information transfers to all copies.

Complete the declaration fully and legibly; otherwise, delay and inconvenience may result for the addressee. A false or misleading declaration may lead to a fine or to seizure of the item.

Your goods may be subject to restrictions. It is your responsibility to inquire into import and export regulations, restrictions such as quarantine, pharmaceutical restrictions, etc., and to find out what documents, if any (commercial invoice, certificate of origin, health certificate, license, authorization for goods subject to quarantine such as plant, animal, or food products, etc.), are required in the destination country.

1. Enter a detailed description of each article — e.g., "men's cotton shirts." General descriptions — e.g., "samples, food products," or "toiletries." — are not permitted.
2. Enter the quantity of each article and the unit of measurement used.
3. & 4. Enter the net weight of each article in pounds and ounces. Enter the total weight of the package in pounds and ounces, including packaging which corresponds to the weight used to calculate the postage.
5. & 6. Enter the value for each article and the total in US dollars.
7. & 8. **For commercial senders only:** Commercial item means any goods exported/imported in the course of a business transaction, whether or not they are sold for money or exchanged. If known, enter the 6-digit HS tariff number, which must be based on the Harmonized Commodity Description and Coding System developed by the World Customs Organization. "Country of Origin" means the country where the goods originated — e.g., were produced/manufactured or assembled. Senders of commercial items are advised to supply this information as it will assist Customs in processing the items.
9. The Postal Service clerk - enter the amount of postage and fees.
10. Select mail handling method.
11. Check the box specifying the category of the item.
12. Provide details if the contents are subject to quarantine (plant, animal, food products, etc.) or other restrictions.
- 13, 14, & 15. If your item is accompanied by a license or a certificate, enter the number. You should enclose an invoice for all commercial items.
16. Your signature and date confers your liability for the item being mailed.
17. Check box specifying instruction in case of nondelivery. Items returned to sender are subject to return charges at sender's expense.

**NOTE:** Copy 4 of this form is filed at the Post Office™ for 30 days from the date of mailing.

Insert the completed form into PS Form 2976-E, Customs Declaration and Dispatch Note Envelope —CP 91. Enclose any commercial documents into the envelope. Do not fold form set or wrap around the package. The entire barcode and all information must be visible. Remove the backing sheet and affix the envelope to the package on the address side.

**Privacy Act Statement:** Your information will be used to satisfy reporting requirements for customs purposes. Collection is authorized by 39 USC 401, 403, and 404. Providing the information is voluntary, but if not provided, we may not process your transaction. We do not disclose your information to third parties without your consent, except to facilitate the transaction, to act on your behalf or request, or as legally required. This includes the following limited circumstances: to a congressional office on your behalf; to financial entities regarding financial transaction issues; to a USPS auditor; to entities, including law enforcement, as required by law or in legal proceedings; to contractors and other entities aiding us to fulfill the service (service providers); and to domestic and international customs pursuant to federal law and agreements.

PS Form 2976-A, June 2005 (PSN: 7530-01-000-9804) Do not duplicate this form without USPS approval. Sender's Copy (Reverse)

Address label template with fields for Sort Date, Note lines, Insured Delivery \$, Inswrap, Primary Address, and Secondary Address.

In our example, you will put: PSC 555 Box 000.th Next Box is the postal code. We are only USPS international for the postal code. Include your city and state. As of August 13, 2020, customs forms must be generated electronically for all military post offices, including those of the entire staff, to comply with the recent postal service (USPS) and customs and changes in politics of The Border Patrol. In case you are 8: Process your package to really send. I am so proud of you. Now, say to your local post office. Try this as the first line of a normal street direction. The address of the recipient is located directly below the sender's address section. Start writing your name. Write it as: Surname, first Name Media Pricesthen Put your email address. For the military direction format, this is the line that could start with "PSCC". The custom customs form tool (CFOL) only creates customs forms and does not accept payment for the shipment. The section, just below the addresses, says Å ç à, à "detraedÅ ç à, → but you can be more general. You do not need to write Å ç à, Å "6 pairs of Å ç à, → green, 2 khaki, 2 white, 2 opción 3 is the least preferred and most of the time consumers. This is Important, especially if you are sending expensive articles (which I never recommend). To send your package, you will have to explain what is inside. Your information, using a suitable military address format,

should go on the bottom and below From your information. Clap that label in the box. In our example, you will put: 96307/Agreate the information of the next city. This is the APO or FPO. Follow up with the correctly completed customs form. You can pick an arbitrary value, like \$10, for items. But you can use a Sharpie in a pinch.Label the address sticker just like an envelope. Put whatever country youeĀĀĀre sending it to. Both options are preferred and require customers to take packages and the printed customs form to the retail counter at the Osan Post Office. Click-N-Ship will calculate the postage amount, accept payment and generate a combined customs/postage label for customers to attach to package. Ignore box 10 and skip to box 12, where youeĀĀĀll sign and date.On the right side of the USPS customs form, youeĀĀĀll also leave all boxes blank (unless youeĀĀĀre a business and then please complete that info).Step 7: Label the Actual BoxYes, you have the lovely USPS customs form completed. Customers may use free computers at the Library, and USO to print out customs forms (Options 1 or 2). Customers mailing packages from the Osan Post Office must use Option 1.Click-n-Ship account Option 2.USPS Customs Form Online (CFOL) tool to create electronic customs forms or 3. Under that you will see business. The customer will require access to a printer to print the customs form generated by advanced electronic data. AP is for the region of Asia Pacifico.Last, for the country, to put us. In general, that is a gift. You can safely ignore this section and leave it blank, unless you are sending this package as part of your personal business .Next: your physical direction. It's like projections at the airport, at random, but it's more likely if you're acting suspicious. There is a section of value. Maybe place a coat of transparent packing tape on it to avoid any damage. The lack of clarity could make your package an objective of a random postal inspection. That is not to say that a packaging should also be inspected very specifically labeling. Do not do it. In the Standard Customs Form, you will begin to enter your information in the upper left section. Reimer to follow the surname, initial middle name when adding your name. Currently there is not a firm date as to when this problem will be resolved. Use your PO Box information, if applicable. Try these: Meg Flanagan is a Master, Blogger and military conyuge. It is! Note: If you are sending the forms to a non-military oconus direction, we obviously do not put ourselves for the country. In our example, we are sending this to an FPO. State or province is the two-letter code. In our example, this is an AP. Other codes are: AE (Europe and De Africa), AA (North and South America, except Canada). However, it is fine, if you do not know those four additional numbers. It is necessary to include your email address or telephone number. When you have a few by hand, you will be better prepared to send stamens of boost pictures and gifts! COODS OF PACKAGE IDEAS OF ATTENTION? Slide the box, correctly packed and through the counter. This is for everyone's safety and to make sure your gifts are legitimate. That's it! PRO Tip: batch your customs Forms through you. you. one form, stop right there and use it to make another one. Your information should go on the top, maybe slightly to the left side. Totally personal preference.Your package will be insured for a base rate of \$50 if you used USPS Priority or Priority Flat Rate packaging.Step 6: Finish the USPS Customs FormYoueĀĀĀre almost there! The finish line is in sight!Under the description of your items (and their quantity and value), select the option that best fits the description of this care package. The military address format is perfect, too. In 11 years of sending packages OCONUS, teĀĀĀve never had them call or email me.Step 4: Add Their Address to the FormThis is the part that can trip people up, especially with military or non-US format addresses. YoueĀĀĀll use this second copy as your master for additional packages in the future.Or if youeĀĀĀre super industrious, you can whip out a batch of completed USPS customs forms to last you for a few months. For a military address, this is the last series of numbers. You can find Meg onĀ ĀFacebook. IteĀĀĀs another just in case measure should there be any problems with the package.
